

You build your reputation on a standard of care. So do we.

Copic is a nationally-renowned provider of medical professional liability insurance. Recognized for industry-leading patient safety and risk management programs, Copic works to support and educate healthcare professionals and help make medicine safer for all. We believe in using our decades of experience to keep providers and patients safe, proactively—so you'll find us working "upstream" to prevent unexpected outcomes. We'll be ready when you need us most... and looking out for you before that moment ever arrives.

Copic benefits include:

- Eligible state medical society members can receive a 10% premium discount.
- Physician-led company recognized for its patient safety and risk management programs.
- A 24/7 risk management hotline staffed by physicians for guidance in urgent situations.
- Educational webinars, on-demand courses, in-person seminars, and annual conferences that address current challenges in healthcare, often for CME/CNE credit.
- Financial strength backed by an "A" (Excellent) rating from AM Best since 1999.
- A claims management process that offers a better experience including programs that help you deal with the emotional toll of a claim or lawsuit.
- 20+ years of experience with communication and resolution programs that address patients' needs after an unexpected outcome occurs.
- On-site and virtual reviews that identify high-risk areas in your practice or facility and best practices to address these.
- Eligible insureds can also qualify for a premium discount for participation in the Copic Points Program.
